

## BARRON ERGO CART

The Barron Ergo Cart is designed to reduce physical strain and improve workplace efficiency by providing a safer, more ergonomic way to transport materials in industrial environments.

### Features

- Battery-powered electric utility cart for ergonomic order picking
- Powered by the Blicke ErgoMove® 500 drive system
- Handles loads up to 1,100 lbs
- Integrated braking system for secure positioning
- Durable powder-coated 10-gauge steel construction
- Includes (2) 18V batteries and charger
- Easy to maneuver through narrow aisles and long distances

### Key Benefits

- Reduces strain on backs, shoulders, and arms
- Improves workplace ergonomics and worker comfort
- Helps prevent injuries related to repetitive material handling
- Increases productivity with easier, controlled transport
- Supports safer, more efficient workflows

### Ideal Applications

- Warehouses and distribution centers
- Manufacturing facilities
- Assembly and packaging areas
- Facilities prioritizing ergonomics and safety
