53200 | Foot-Activated Sanitation Stand

Hands-Free, 100% touchless foot-activated hand sanitation stand. Easily eliminates cross-contamination by allowing the user to apply hand sanitizer without having to touch the bottle, or the stand.

Completely portable. Free-standing; Easily moved around to fulfill the demands of high-traffic areas. Sits on four rubber feet for added stability and protect flooring.

Holds a standard 1-gallon plastic pump container. *(bottle, pump & sanitizer not included)*

100% Made in the USA
Constructed of primary grade, rust proof aluminum. Easy to clean and sanitize.

Fully Adjustable
Bottle holder is adjustable in 1/2" increments and held in place with a quick-release pin. - Allowing various gallon sized bottles to be used.

Basket-type holder helps prevent bottle tipping and theft.
