

# Channel Pallets

**99557**

Channel Pallets are constructed completely of "open" channel extrusions, eliminating enclosures that can trap bacteria, dirt, or debris. All seams are fully welded and sealed, making these pallets **FDA Approvable**. Revamp your operations and invest in aluminum pallets from New Age Industrial!

- Open channel design makes cleaning pallets easy.
  - Use a steamer or power washer, worry-free!
- Unlike wooden or plastic pallets, aluminum pallets require no specialized storage space!

- **Fire Resistant**
- **UV Resistant**
- Metal-Detectable
- **Strengthened by GOLD<sup>®</sup>**
- **100% Recyclable**  
*No disposal fees!*

- Ideal for closed-loop systems, only circulating within your own facility or company operations.

## Channel Pallets
